2026: Year of Volunteering for Sustainable Development

Citizen Science Talks

The Winter Sky: a talk by Alistair Scobie

7pm, Tuesday 17th February 2026,
Mosssdale Village Hall

Join us for a fascinating presentation on **The Winter Sky** given by **Alistair Scobie**, a Trustee of the **Scottish Dark Sky Observatory**.

- Learn about how deep sky astronomical images are made and what to look out for in our night skies in February
- Hear an update about the Scottish Dark Sky Observatory plans and progress
- Take part in our citizen science project to understand how light pollution affects our view of the night sky.
- **Bring your binoculars** and warm clothes to make the most of the marvellous dark skies in Mosssdale with an outdoor observing session - weather permitting!

Free event - donations to **Mosssdale Village Hall** and **The Scottish Dark Sky Observatory** welcome. Hot drinks available for a small fee

Doors open at 7pm for a 7.30 start

A legacy project of the Galloway Glens Landscape Partnership, with thanks to the funders:
